ARP, TEXAS

1963-1964

As we come to the close of this, another school year, we, the annual staff of 1963-1964, take this opportunity to thank our advertisers. Only through constant support and encouragement could this yearbook have been made possible.

We also thank our sponsor, Miss Warren, for the help and guidance she has given us throughout the year; Mr. Hamrick, our principal, for the understanding, encouragement, and time given to the staff; Mr. Bane for taking time out of his busy schedule to serve as our photographer; and Mrs. Moss for keeping our bookkeeping records.

The editors wish to take this space to commend the staff who have been so deligent in their tasks. We hope much was gained from their labors.
